

the family photo list

keep it short, name the people, and get back to your party.

your names

wedding date

family photo wrangler (someone who knows everyone by name)

tick it	grouping	who's in it (names!)
☐	couple + all parents	
☐	couple + her parents	
☐	couple + his parents	
☐	couple + her siblings	
☐	couple + his siblings	
☐	couple + her grandparents	
☐	couple + his grandparents	
☐	couple + her whole side	
☐	couple + his whole side	
☐	couple + both families, everyone	
☐	couple + a cousins group	
☐	your own: _____	

keep it smooth

- aim for 8 to 12 groupings. about 5 minutes each means you are done in under an hour.
- start with the biggest group, then peel people away so everyone gets to go enjoy cocktail hour.
- tell your family the time and place ahead of time. phones off, drinks down, and no one wandering off.
